

## Calculation of Grade Point Deficit

- Log in to MyPack Portal
- Go to Student Center>Degree Audit (drop-down menu on left-hand side)>Toward top you will see Plan – click on View
- In the upper right hand corner of the degree audit, click on Total Units
- On right-hand side under **Academic Totals**, look for **Total Taken Toward GPA** (that is the number of letter-graded hours the student has taken)
- Above that, see the **Total Grade Points**

1. Total Taken Toward GPA x 2.0 = \_\_\_\_\_
2. Write down the Total Grade Points earned = \_\_\_\_\_
3. Subtract Line 2 from Line 1 – **Grade Point Deficit** = \_\_\_\_\_
